## APRIL 2018 PRESS RELEASE

### **Blake Machinery Group appointed as the Hydrema dealer for New South Wales & Victoria.**

Hydrema the Danish Construction Equipment Manufacturer have appointed Blake Machinery Group (BMG) as the dealer / distributor for NSW & VIC.

BMG have been the Hydrema dealer for Queensland since 2014 offering sales, service and spare parts for the Hydrema range of Dump trucks and Rail machines.

The move into NSW & VIC will involve opening new depots and establishing sales, service & spare parts facilities and personnel to meet the demands in these new areas.

Established in 2010, BMG is a family owned company operated by Cameron Blake and his father, David Blake. Between them they have over 50 years' experience in the equipment industry. Cameron said, "We are very excited about securing the NSW & VIC territories and we are currently looking for premises so we can better service our customers in those areas".

Hydrema is a Danish owned company specializing in the manufacture of 10t & 22t payload Articulated Dump trucks - Wheeled excavators from 14 to 20t and a range of equal sized wheeled Loader Backhoes. Hydrema equipment can be supplied direct from the factory road rail equipped.

Tim Wadsworth the Export Sales Director for Hydrema says: "We have an excellent relationship with BMG and are confident they will continue to do a thoroughly professional job and achieve great results"
